## EXPERIENCE

### Horizon Forest Products

*Graphic Design, 2022-2023*

Designed various digital and printed collateral/assets for the in-house marketing team including, but not limited to: apparel, catalogs, banners, flyers, marketing emails, stickers, and more. Collaborated with designers and communicated with printers to create customer facing private labels (brands). This includes redesigning existing brands to better reach the products intended audience through informed market research. Edited and scripted short commercials for products.

### The Looma Project

*Graphic Design, 2022-Present (Contract)*

Created in store signage and proposals for grocery store and alcoholic beverage distributors that promote local, people centric stories/themes. Provided additional design for internal use only.

### WizKids / NECA

*Graphic Design, 2017 - 2022*

Worked as a designer for a majority of Wizkids.com online assets. Created graphic art for print ads, convention banners, products, etc. Worked daily with brands such as Marvel, DC Comics, Dungeons & Dragons and more. Created packaging for a variety of products including fantasy miniatures and board games. Participated in the Values Team, which brought forth ideas to champion diversity through action.

### Charming Charlie

*Part-Time Sales Manager, 2016 - 2017*

### Old Navy

*Sales Associate, 2015 - 2017*
